

# AN ENERGY QUIZ

BY

**EnerWhizz**

Dear EnerWhizz,

we hope that you enjoy the quiz!

And as an energy expert (what Energy Whizz effectively means), you might have recognised that we have many different questions: difficult ones, easy ones - and (a bit) funny ones 😊

So, if you like it, keep going and win a prize in one of the 3 monthly EENOVA project quizzes.

And stay tuned – we are coming with more fun and learning games very soon, e.g. double or nothing or the energy duell or...

All the best, your EnerWhizz team
